

Mr. Hyde

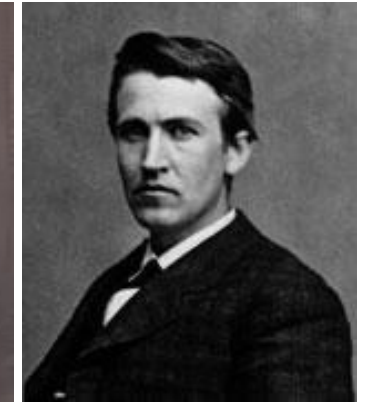

Mr. Enfield

Little girl

Father

Sawbones  
(doctor/apothecary)

One of the harpies  
(group of women)

“That’s the ugly man who hurt me,” I cried, pointing at him. “Why did you stomp on me?!”

## First person description

Choose one of the characters. You are going to imagine that you’ve just experienced the events from their point of view. Include some dialog in this. Keep these questions in mind as you write your first person response:

- Which character are you?
- What time of night is it?
- What did you see?
- How did you feel?
- What other people did you see?
- What do you think about Mr. Hyde?
